

Conzilla

Dealers' Info

Conzilla is the 59th Westercon, to be held at the Mission Valley Marriott in beautiful San Diego, California, over July 4th weekend. PLEASE NOTE that the dates are 1-4 July, which is Saturday through Tuesday.

Tables cost \$100 each. Tables will only be sold to members of Conzilla -- your membership should be purchased separately (if you voted in site selection you should already have your membership). If you want more than 2 tables, please contact us before sending a check. The room will have about forty tables; we will see how many requests we have from this mailing before making a final decision about any limit on tables per dealer.

The hotel is the same as the site of the 1998 Westercon. We will be sending hotel booking and arrivals information in a later mailing.

We hope to have set-up on Friday, June 30th, but this is not written in stone -- check the website for changes.

Please be sure to tell us about your special requests, including set-up needs, electric requirements, and preferred nearby dealers. We encourage creative use of space and prefer a room with a boutique or store-like feel rather than church rummage sale.

Please do not make us request that you leave by bringing copyrighted materials you do not have rights to. Also, audio and video displays will have to be silenced if anyone complains about the sound level.

Please print out this form, fill in the information, and mail it to:

3118 Via Valesco
Escondido, CA 92029

Checks should be made out to **Conzilla**.

If you need to reach us, you can contact us through dealers@conzilla.info or conzilladealers@fopaws.com (may be faster response) or in an emergency at 619-852-8954. Be warned that we're often not in the Pacific time zone, which means that safe calling hours are 9am-7pm Pacific time, NOT later (and not earlier either in case we are in San Diego).

Thanks for your support of Westercons. We hope to see you there.

Special requests: Please note that we will try to accomodate as many of your special requests as possible, but we can't promise to meet all of them for everyone. Let us know if there is anything so utterly important that you don't want to buy tables if we can't provide it. You can also help by ranking the importance of your requests if you have more than one.

_____ Electricity

Right now, we hope not to have to charge for electricity, but if too many people ask for it, it will become prohibitively expensive for the convention to pay for, and we will have to charge. Also, electric drops are along two walls of the room and not available in the front 1/3 of the room at all. None of this is meant to discourage you from asking, but to let you know what the situation is.
